Opening of "KeePer LABO Iseaki

(Head Office: Obu City, Aichi / President: Toshiyuki Kaku) will open a new KeePer LABO Iseaki Store in Iseaki City, Gunma on Friday, June 30, 2023.

Store Name	KeePer LABO Iseaki	Opening Date	June 30, 2023
Location	1-1 Shimouekicho, Iseaki City, Gunma	Site area	951.42㎡
		Store area	469.07㎡
Hours of operation	9:00-20:00	Construction site	Convenience store site
Concept	<p>The Iseaki store is located on a corner lot at a busy intersection, making it highly visible, and since it can form a dominant position with the Maebashi store, which opened one year ago, it is expected to quickly gain high recognition. This will be the 2nd store in Gunma and the 122nd KeePer LABO store.</p> <p>The store is a large store with 7 coating booths and 6 washing and finishing areas, and in addition to a guest room overlooking the work, there are box seats and bench seats in the coating booths where customers can wait and look at their cars during the application. In addition, several bicycles are available for transportation to nearby facilities such as SMARK ISESAKI while waiting for the work to be done.</p>
