KeePer Technical Laboratory Co., Ltd. (Head Office: Obu, Aichi/ President: Toshiyuki Kaku) will open a new KeePer LABO Yoga in Setagaya-ku, Tokyo on June 29, 2023.

Store Name	KeePer LABO Yoga	Opening Date	June 29, 2023
Location	5-12-11 Kamiyoga, Setagaya-ku, Tokyo	Store area	925.64㎡

Concept	The Yoga Store is located at the corner of a T-intersection near the well-known Kinuta Park, facing Kanpachi-dori in Setagaya Ward, so it has good visibility and is expected to quickly gain high recognition. With the Setagaya and 246 Tamagawa Stores, we now have 3 stores in areas with overwhelming demand. We expect to serve even more customers than before. This will be the 12th branch in Tokyo and the 119th directly managed branch. The Store was renovated from a gas station on the first floor of the building, and with 9 coating booths and a dedicated booth for "EX Keeper," our flagship product, it is a large store capable of coating 10 vehicles at the same time. There is also a spacious guest room where customers can relax while waiting for the work to be done.
